Student Body Board of Directors

WELCOME, CLASS OF '88

On behalf of the student body and Student Body Board of Directors, we would like to welcome you to Illinois State University. As an I.S.U. student, you enjoy all the privileges and opportunities the SBBD., your student government, has to offer.

The services the SBBD offer include a Student Legal Service, a Tenant Union, the Party Patrol, Consumer Affairs and Affirmative Action offices and Data Bank. Please feel free to utilize any one of these services, after all, they are your's to use.

We are proud that you have chosen Illinois State for your higher education. We hope you enjoy your tenure on the campus of I.S.U. This book has been prepared to help you get to know each other and to become acquainted with life at I.S.U. Please do not hesitate to take advantage of the several hundred student organizations offered on campus and do not hesitate to call us at the Student Body Board of Directors. It is with your support that your student government exists. We challenge you to become involved in the full life of Illinois State University.

Sincerely,

Jeff T. Charnogorsky

STUDENT BODY BOARD OF DIRECTORS

The Student Body Board of Directors is your student government. We are your advocates for student rights to the Normal City Council and University administration. We also provide many services which you can take advantage of during your tenure at I.S.U.

The SBBB is comprised of a Student Body President and Vice President. There are seven directors who also sit on the Board with full voting rights. My name is Jeff Charnogorsky and I am your Student Body President for the upcoming year. My job entails a great deal of activities including Vice Chairman of Student Fee Board, a member of the Academic Senate Executive Committee, Chairperson of the SBBB, and other various committees and councils. The Vice-President is Jeff Ferry. Jeff works with other organizations on campus and coordinates the Student Advisory Committees process.

Julie Pierobon is the Administrative Services Director. Her job entails the day-to-day running of our office building at 225 N. University. Brad Considine is the Student Rights and Advocacy Director. He is the editor of the SBBB Newsletter. Bill Gill is the Student Legal Services Director in charge of directing the attorneys in cases brought to them by students. The Finance Director is Greg Moran. His job involves preparing and overseeing the operation of our budget. Brian Hagaman is the Information and Research Director. His office sends out surveys concerning student issues to aid the SBBB and student body. He also researches many reports and items so we can be more educated on the issues. The Publications Director is Lisa Cunningham. Her office produces the Yearbook, Freshman Record, and manages the student book exchange. The Community Relations Director is Tom Crawford. Tom serves on a number of town-related committees and is the Normal City Council Liaison for the student body. He also oversees the operation of the SBBB Party Patrol.

All of us at the SBBB are committed to helping your stay here a more pleasant one. We are your student government and are only as good as you want us to be. We invite you to join us in student government, a rewarding and fulfilling experience.

FRESHMAN TIPS

Before getting ripped off at the bookstores, check out the SBBD Book Exchange.

Be nice to your RA; in a pinch, it's nice to have him/her on your side.

Keep your campus maps hidden on the inside of a notebook or binder.

It's important to keep notes and handouts organized.

Attend the beginning-of-the-year street dances and activities—you'll wish you had when things slow down.

Start the beginning of each semester with a bang because when it gets to the end, you get pretty lazy.

Go to the callouts for clubs and activities and find out what they're all about.

The Student Body Board of Directors sponsors the yearbook, call them for information if you would like to join the staff.

Remember that you probably irritate your roommate as much as s/he irritates you.

Keep your room neat on weekends—parents are known for surprise visits.

Don't overindulge at your first kegger, especially if it's your first experience with beer.

Apply for all scholarships that you hear about.

Try to pick up a copy of the Vidette every morning to find out what's happening around campus.

Get to know your TA's and Professors personally—it may help when grade time comes.

Stock up on plenty of popcorn—it makes a great snack any time of the day.

Separate underwear and jeans in the wash.

If you cram too much in the washer, nothing will get clean.

Don't show your ignorance by **not asking** for what you don't know.

Pizza and beer are fattening, but fun.

Register, license, and lock your bike.

Take your student ID wherever you go (be sure to get it validated).

Don't be discouraged with your first English theme grade.

Check the rideboard in the Bone Student Center to get away from campus on weekends.

Always arrange a meeting before giving someone you don't know a ride

home; you never know what they might be like.

Go more than midway on midterms.

Keep your door locked—things have a habit of walking away.

Weekends start on Thursday.

Always take an ID with you when you go out on weekends.

At home parents treat—here you pay.

Express yourself by voting in all campus elections.

The computer doesn't hate everyone—just you.

Washing machines eat socks.

Homesickitis—a call home does wonders for morale at both ends of the line.

Be careful not to overindulge in too many long-distance calls; the phone bill is a killer.

Give ISU a chance—most people are ready to return home the first weekend.

Compare prices before buying books.

A road trip to Champaign is a cheap way to get-away-from-it-all on a weekend night.

Professors are human, too—see them at the first sign of trouble.

Take advantage of all free activities.

If your roommate disappears, remember there are 24 hours in a day.

Be friendly—you're all in the same boat.

Make reservations early for parental invasions.

It's not always a good idea to move in with your best friend.

Overdrying your underwear turns them yellow and shoots the elastic.

Be considerate—not everyone parties all the time.

It's fun to study with a friend, but you get more done in the library.

If you want to become involved in student activities, the ISU Student Body Board of Directors has a place for you.

Have you considered running for an Academic Senate seat?

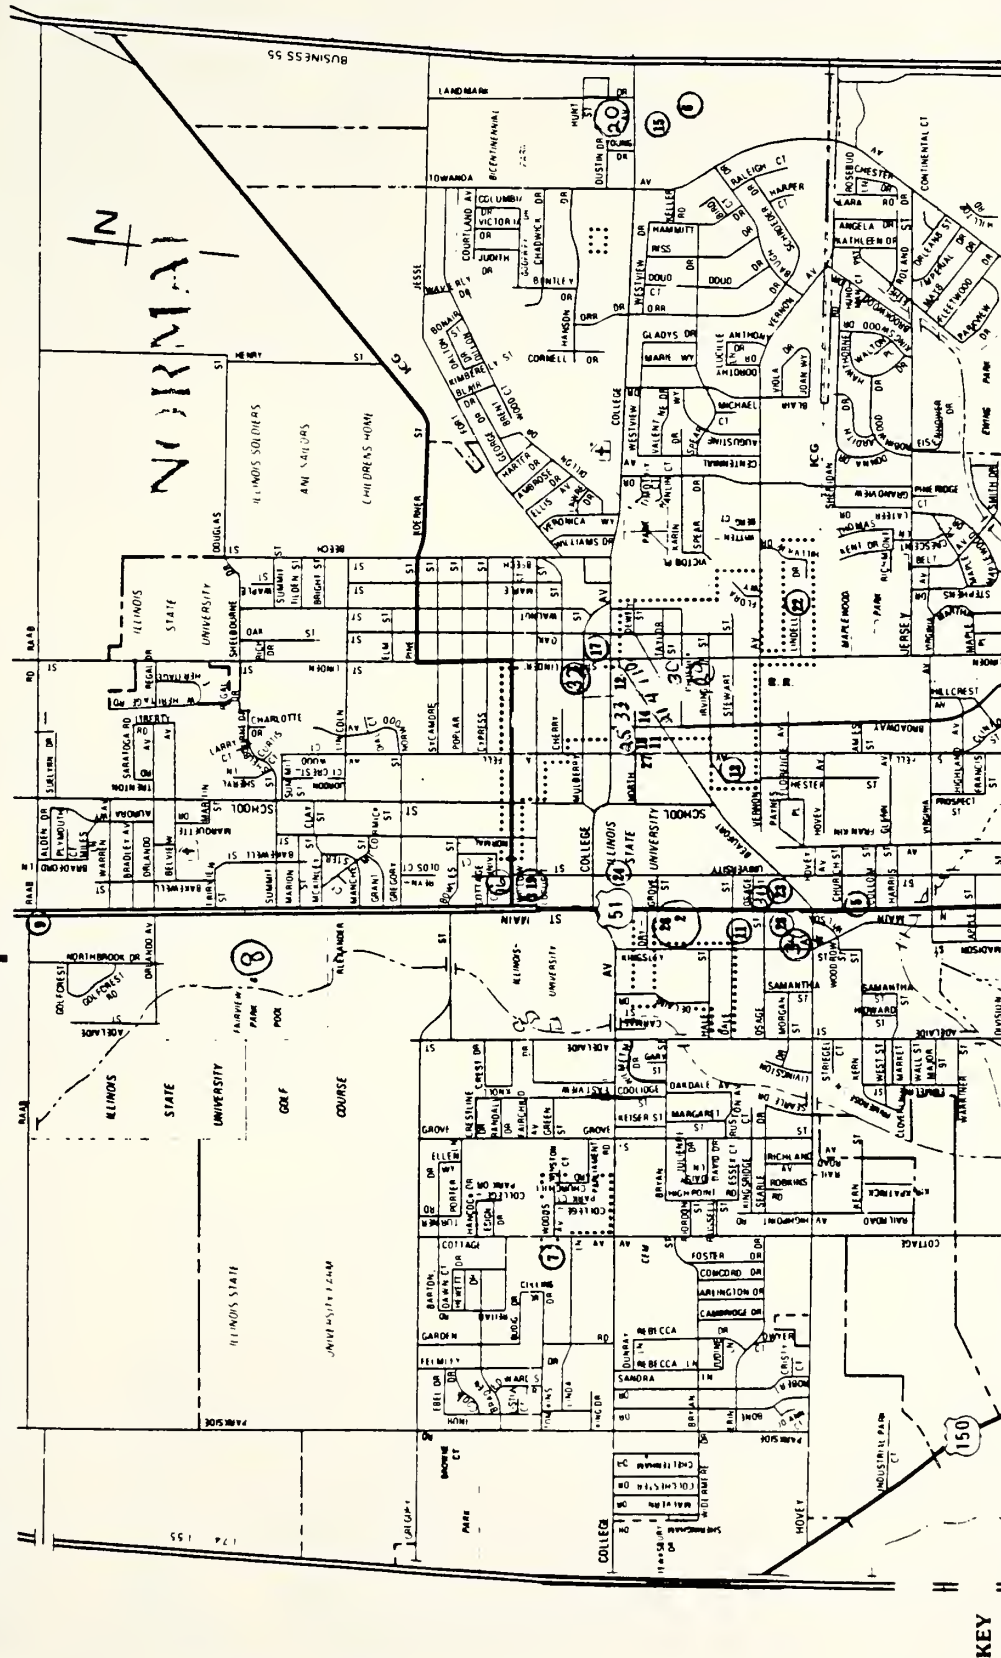

GET INVOLVED—college is more than books.

Remember to pay back your student loan or they will repossess your education.

Normal Student Map

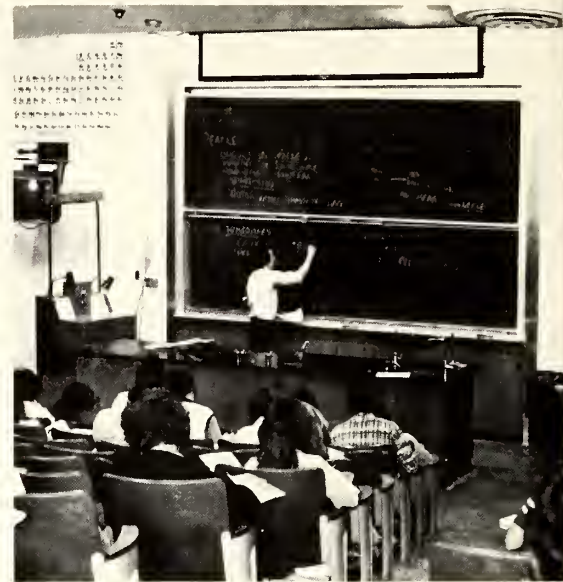

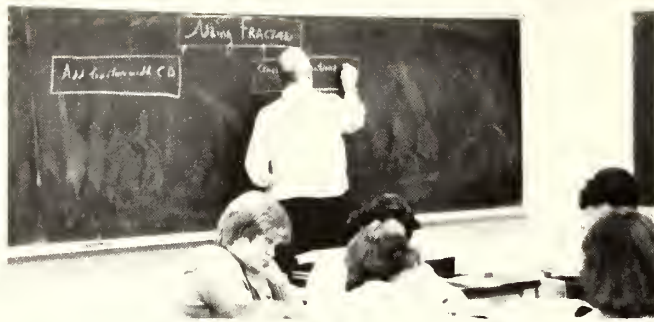

By Eric Behrens and Bob Loudea

A detailed campus map can be found in the student catalog, so we chose not to include one here. Instead, we realized that students need something they can tack on the bulletin board to use as a guide to Normal. Various points of interest have been noted for convenience. Dotted lines are also added to designate popular student socializing areas.

HANGIN' OUT

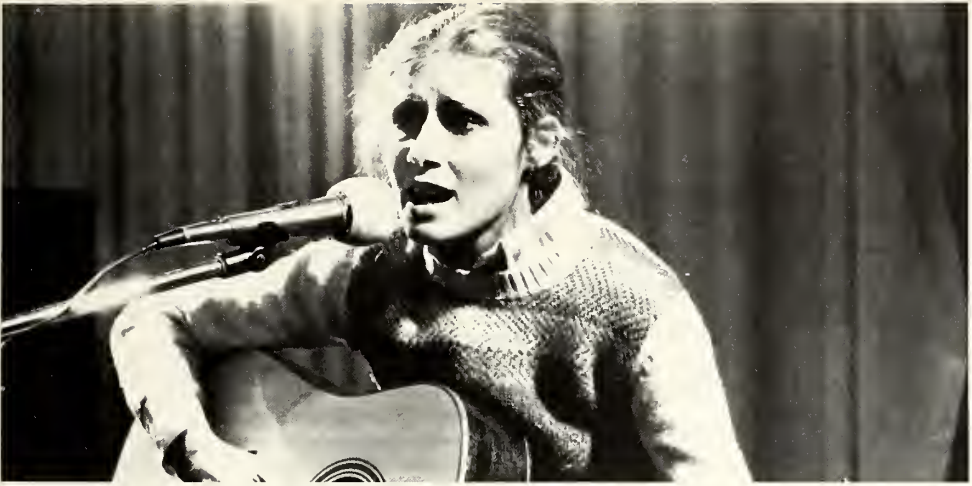

ACTIVITIES

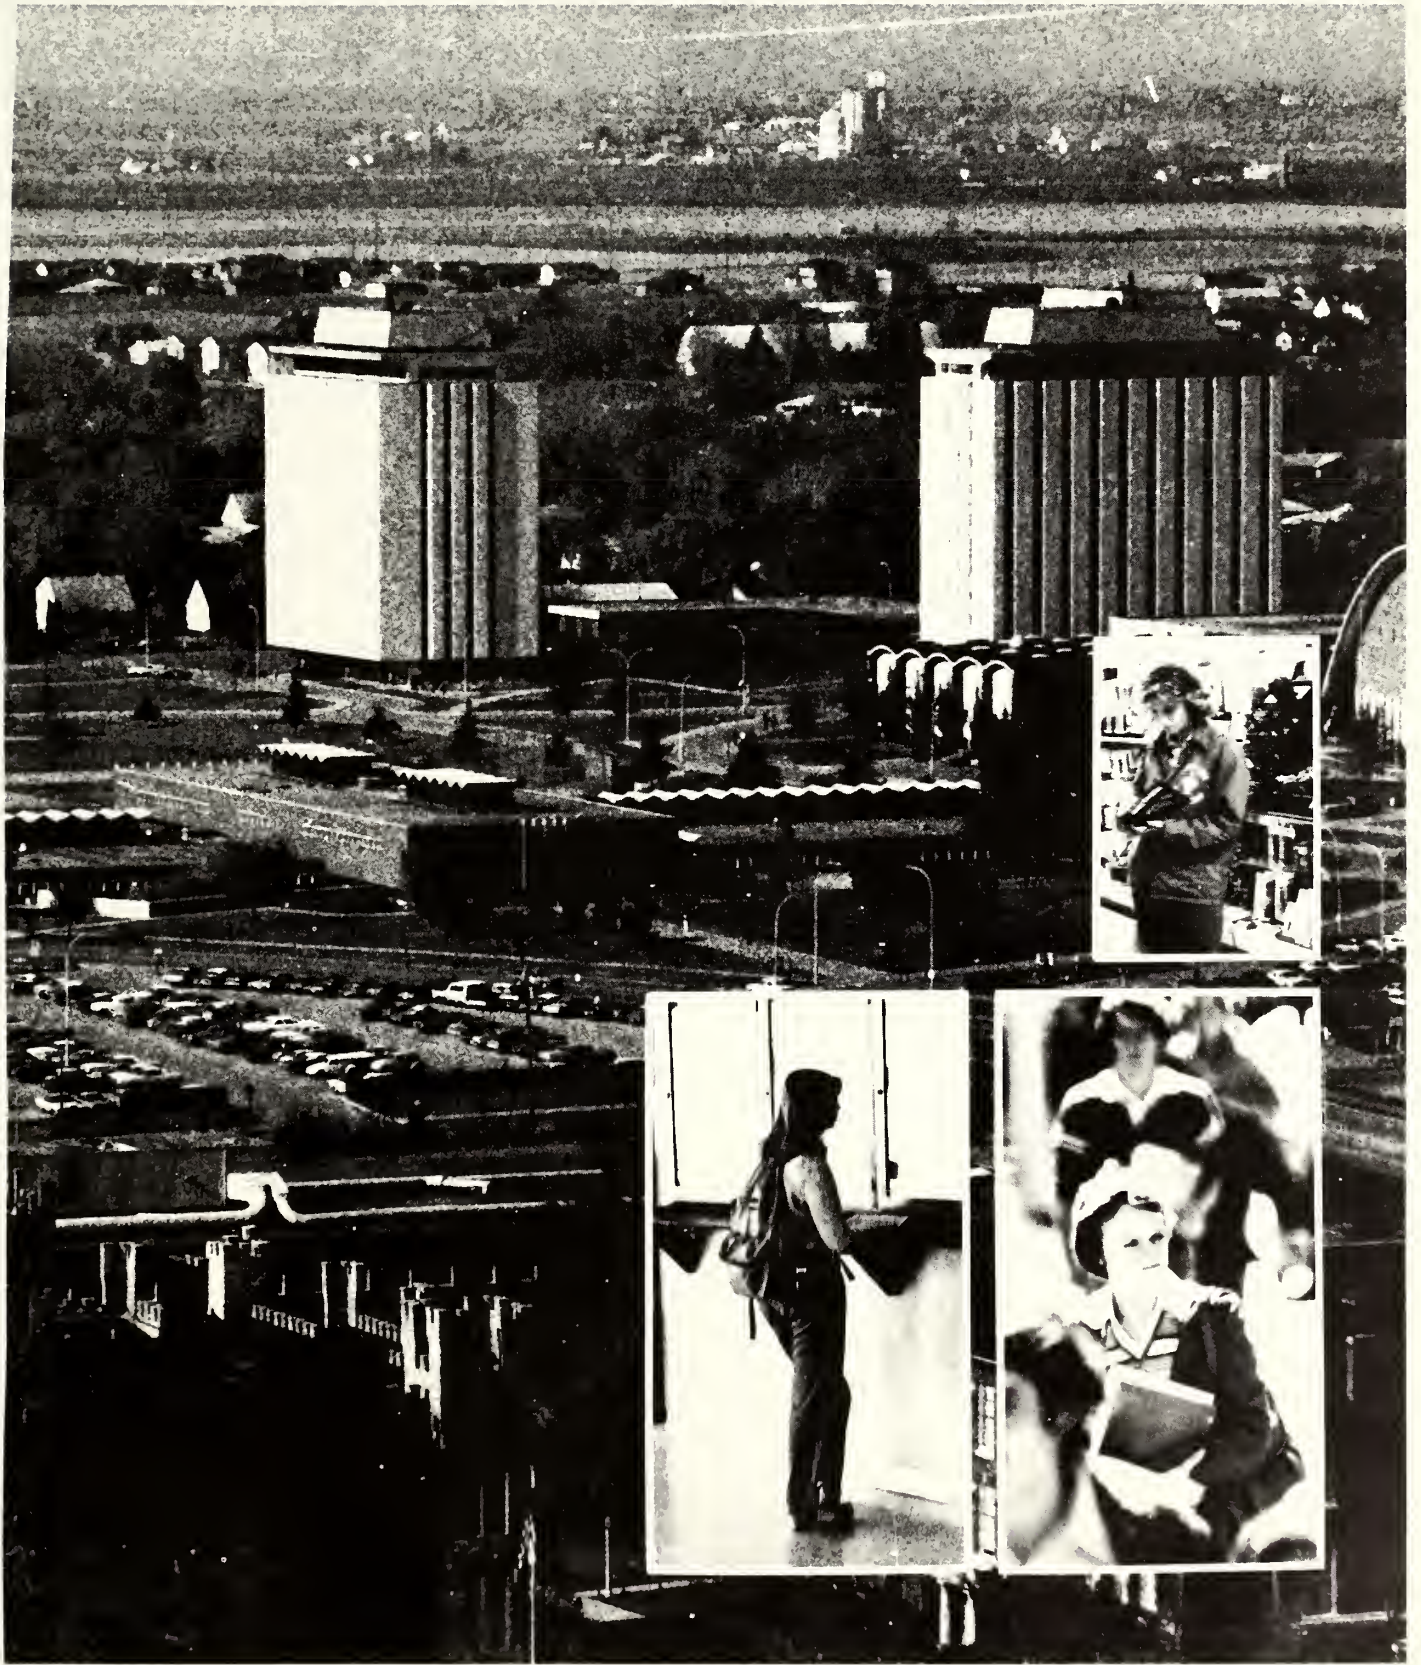

Dorm Life

Twas the night before finals,
And all through the college,
The students were praying
for last-minute knowledge,

Most were quiet sleepy,
But none touched their beds,
While visions of essays
Danced in their heads.

Out in the taverns,
A few were still drinking,
And hoping that liquor
Would loose up their thinking.

In my own apartment,
I had been pacing,
And dreading exams
I soon would be facing.

My roommate was speechless,
His nose in his books,
And my comments to him
Drew unfriendly looks.

I drained all the coffee,
And brewed a new pot,
No longer caring
That my nerves were shot.

I stared at my notes,
But my thoughts were muddy,
My eyes went ablur,
I just couldn't study.

"Some pizza might help,"
I said with a shiver,
But each place I called
Refused to deliver.

I'd nearly concluded
That life was too cruel,
With futures depending
On grades had in school,

When all of a sudden,
Our door opened wide,
And Patron Saint Put-It-Off
Ambled inside.

His spirit was careless,
His manner was mellow,
But, seeing our state,
He started to bellow:

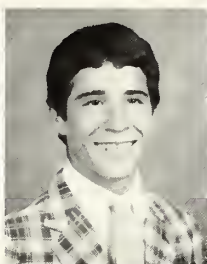

"What kind of student
Would make such a fuss,
To toss back at teachers
What they tossed at us?"

"On, Cliff's Notes! On, Crib Notes!
On, Last Year's Exams!
Oh, Wingit and Slingit,
And Last-Minute Crams!"

His message delivered,
He vanished from sight,
But we heard him laughing
Outside in the night.

"Your teachers have pegged you,
So just do your best.
Happy finals to all,
And to all, a good test."
